Memorandum for: Deputy Assistant Director, OCD

Subject: Security Legislation in Canada

1. Pursuant to our telephone conversation of this morning, I am attaching herewith a memo indicating that the Canadians are considering revision of their Official Secrets Act. The General Counsel would like very much to follow this legislation, including receipt of any drafts, reports, or hearings which are publicly available.

3. In addition, if the Canadian Parliament issues any reports similar to those put out by our House Committee on Un-American Activities or our Senate Internal Security Subcommittee, I would appreciate having a set. My guess is that they do not.
